

# Planet Penny Carnival Crochet Bunting

The Carnival Crochet Bunting is made using the Planet Penny COLOURS mercerised cotton yarn keeping each individual 'flag' within a close colour range rather than a contrast.. It's a basic 'Granny' triangle with the sides elongated, Isosceles rather than Equilateral!

This is a lovely project for a child's room, along the edge of the mantelpiece or over the door. I also picture it looped around a garden umbrella, a real touch of summer!

Materials: Planet Penny COLOURS mercerised cotton yarn. 3.5mm crochet hook (or yarn of your choice and appropriately sized hook)  
Sewing needle with large eye. Buttons.

To Finish: Make tassels by winding yarn round three fingers about 12 times. Tie off at one end leaving a tail to stitch with, and again short distance below 1st knot. Cut loop. Make one for each 'flag' and stitch to bottom point.

Join each 'flag' with a few stitches in the corner and sew a pretty button on the join. If required crochet a chain loop or tie on each end of the bunting for fastening.
